 - (b) to the extent any changes to this Agreement are agreed to by the parties, enter a deed of amendment to this Agreement to implement those changes.

- (3) conveyed in a clear and comprehensive manner; and
- (4) in the preferred language of the Customer.

5 Application Process

5.1 Application Forms

The State agrees that customers can only obtain an Application Form from a retailer.

5.2 Retailer's obligations before providing an Application Form

Before providing an Application Form to a Customer, the Retailer must:

- (1) comply with its obligations under the Electricity Industry Code and the Gas Industry Code with respect to offering alternative payment arrangements and other assistance available to customers having financial difficulty; and

If:

- (1) after the Retailer has complied with **clause 5.2**, the Customer is still in financial difficulty;
- (2) the Customer or a non-government organisation requests an Application Form; and
- (3) the Retailer considers the Customer may meet the Eligibility Criteria,

then the Retailer must:

- (5) indicate on the Application Form that the Application must be lodged with the State within the Deadline;
- (6) ask for consent (oral or written) from the Customer to provide the State with the Application Information, and promptly provide this Application Information to the State where consent is given;

- (8) suspend all collection and disconnection action against the Customer during the Processing Period.

5.5 Disconnection

- (1) If a Retailer disconnects a Customer who it has identified as suffering hardship without:
 - (a) first providing that Customer with information about the Scheme in accordance with **clause 4.1**; and
 - (b) then the Customer makes an Application;

the Retailer must at its own cost reconnect the Customer's gas and/or electricity supply until the State has advised the Retailer of the determination of the Application.
- (2) If a Retailer disconnects a Customer and then issues the Customer with an Application Form, the Retailer must contact the State to discuss the likely determination of the Customer's Application and reconnection of the Customer's gas and/or electricity supply.
- (3) The Retailer must keep accurate records of all disconnections of Customers to reflect compliance or non-compliance with this Scheme.

6 Assessing the Application

6.1 State's decision

The State will:

- (1) assess each Application in accordance with the Guidelines and make a decision on whether the Customer is eligible within 14 days from receipt of the Application;

By the end of each Week, the State will provide the Retailer with a report on:

- (1) the details of each successful Application and the Assistance Amount;
- (2) the aggregate of the Assistance Amounts for all successful Applications,
- (3) the details of any unsuccessful Applications; and
- (4) the details of any Cancelled Applications,

during the previous Week.

7 Retailer's obligations after the Application is decided

7.1 Successful Applications

- (1) For a successful Application, the Retailer must:
 - (a) deduct the Assistance Amount from the amount payable by an Eligible Customer on account of Customer Retail Services provided to that Customer. To avoid doubt, the Assistance Amount cannot be used to reduce the amount payable by the Eligible Customer for any other goods or services; and
 - (b) include a separate and identifiable item on the Eligible Customer's next bill that identifies the Assistance Amount as a Queensland Government assistance.
- (2) If after the deduction of the Assistance Amount there are outstanding monies owed on the Customer's bill, the Retailer may recommence standard collection procedures for the remainder subject to discussing with the Customer alternative payment arrangements.

7.2 Unsuccessful Applications

- (1) Subject to **clause 7.2(2)**, for unsuccessful Applications, the Retailer may contact the Customer and recommence standard collection procedures.
- (2) If the Customer or the State notifies the Retailer that the Customer has requested a review of the decision to reject the Application, then the Retailer must suspend all collection and disconnection action against the Customer until the review has been completed.

7.3 Cancelled Applications

If requested by a Customer to reactivate a Cancelled Application, the Retailer must:

- (a) reassess whether a Customer could be an Eligible Customer; and
- (b) if a Customer could be an Eligible Customer, request that the State reopen the Application and set a new Deadline.

8 Payment to the Retailer

8.1 Assistance Amounts are GST inclusive

The parties agree that the Assistance Amounts are a part payment of the customers' GST inclusive bill from the Retailer. Notwithstanding this agreement, if the Australian Taxation Office or a court or a tribunal determines that the Assistance Amounts do constitute consideration for a taxable supply from the Retailer to the State, the parties agree that the Assistance Amounts are GST inclusive.

8.2 Payment

- (1) In consideration of the Retailer deducting the Assistance Amount as set out in **clause 7**, the State will pay the Retailer for any Assistance Amounts deducted from the bill of an Eligible Customer.
- (2) By the end of each Week, the State will pay the Retailer by electronic transfer the aggregate of the Assistance Amounts for the previous Week as set out in the report provided by the State under **clause 6.2**.

8.3 Incorrect payments

- (1) Any underpayment or overpayment of an Assistance Amount may only be claimed within 2 years from the date of the relevant Report.
- (2) If the Retailer claims that there has been an underpayment, the Retailer must provide all reasonable information as to why the underpayment occurred. If the State claims that there has been an overpayment, the State must provide all reasonable information as to why the overpayment occurred.
- (3) An amount due to a party as a result of an underpayment or overpayment may be offset against any amount subsequently due by the Retailer to the State (or vice versa) under this Agreement.

The State will comply with its obligations under the *Privacy Act 1988* (Cwlth) with respect to any information obtained under this **clause 9** and will treat the information as Confidential Information.

10 Systems, equipment and material

10.1 Systems, equipment and material

- (2) The State is under no obligation to provide funding for these systems, equipment, material and other resources.

10.2 Changes to systems, equipment and material

- (1) In circumstances where a material change is made to the Guidelines or the operation of the Scheme, the State will liaise with the Retailer prior to the initiation of the change and provide the Retailer with a reasonable period of notice of the proposed changes to enable the Retailer to undertake required system and process changes including staff training.
- (2) Upon amendment to the Guidelines that would result in a change to the Assistance Amount cap, Eligibility Criteria or material operation of the Scheme the State must, as soon as reasonably practicable, give the Retailer written notice of these changes.

11 No assignment

11.1 No assignment

The Retailer must not assign the whole or part of this Agreement without the prior written consent of the State. The State must not unreasonably withhold or delay its consent to the assignment by the Retailer of the whole or part of this Agreement.

- (2) The State warrants that the use of any State Material by the Retailer:

 - (b) the Retailer fails to take reasonable steps to ensure that the Retailer will remedy the breach within the time agreed in the action plan.

16.2 Termination by Retailer

The Retailer may terminate this Agreement at any time by notice to the State, if the State fails to remedy a material breach of this Agreement by the State within the period (being a reasonable period, but in any event not less than 5 Business Days of notice of the breach or, if the dispute resolution process in **clause 17.1 and 17.2** has been implemented, 5 Business Days of the conclusion of the mediation) specified in a notice by the Retailer.

16.3 Termination for any reason

- (1) Either party may at any time, by giving 20 Business Days written notice to the other, terminate this Agreement for any reason.
- (2) In the event that this Agreement is terminated in accordance with paragraph (1):
 - (a) the State will be liable only for payments under this Agreement for Assistance Amounts approved and advised to the Eligible Customer and paid by the Retailer to an Eligible Customer before the date of termination; and
 - (b) each party must take all available steps to minimise its own loss resulting from that termination.

16.4 No prejudice

Nothing in this **clause 16** prejudices:

- (1) any rights, remedies or liabilities of a party that accrued prior to termination; or
- (2) any party's other rights or remedies in respect of any breach of this Agreement.

17 Dispute Resolution

17.1 Negotiation of Dispute

If a difference or dispute ("Dispute") arises in relation to this Agreement, then either party may give notice to the other that states a Dispute exists and specifies details of the Dispute. The parties agree that, following the issue of that notice, they will endeavour to resolve the Dispute by negotiations, including by referring the Dispute to persons within the State and Retailer who have authority to intervene and direct some form of resolution.

17.2 Mediation of Dispute

- (1) If the Dispute has not been resolved pursuant to **clause 17.1** within 40 Business Days of the notice of the Dispute, then the parties agree that they will undertake a mediation process. The mediator will be an independent mediator agreed by the parties or, failing agreement, nominated by the chairperson of The Institute of Arbitrators and Mediators Australia, Qld Chapter.
- (2) Unless otherwise agreed between the State and Retailer:
 - (a) the mediator will not make a decision in relation to the dispute but will merely attempt to facilitate the parties to reach an agreement; and
 - (b) the parties will share the costs of the engagement of the mediator equally.

17.3 No prejudice

Nothing in this **clause 17** will prejudice the rights of either party to institute proceedings to enforce the Agreement or to seek injunctive or urgent declaratory relief in respect of any Dispute.

18 General

18.1 No employment, partnership or agency relationship

- (1) Nothing in this Agreement constitutes the Retailer, or its employees, agents or subcontractors as employees, partners or agents of the State or creates any employment, partnership or agency for any purpose.

- (2) The Retailer must not represent itself, and must ensure its employees, agents and subcontractors do not represent themselves, as being employees, partners or agents of the State.

18.2 GST

- (1) If a party ("**GST Supplier**") makes a supply to another party ("**GST Recipient**") in connection with this Agreement, the GST Recipient must pay the GST Supplier an amount equal to any GST payable by the GST Supplier in relation to that supply ("**GST Amount**"), unless the amount payable by the GST Recipient for that supply is already expressed to be inclusive of GST.
- (2) The GST Amount must be paid at the same time and in the same manner as making payment of any monetary consideration on which the GST is calculated. If the GST Amount is not calculated on monetary consideration, the GST Recipient must pay the GST Amount within 7 Business Days of receipt of a written demand from the GST Supplier.
- (3) The GST Recipient's obligation to pay the GST Amount is conditional on the GST Supplier providing the GST Recipient with a tax invoice that complies with the relevant law, an invoice that would comply with the relevant law if the State was the actual recipient of supplies to which the GST Amount relates. The GST Supplier must do all other things reasonably requested by the GST Recipient to enable the GST Recipient to obtain any input tax credit or other statutory set-off to which it is entitled.
- (4) The amount recoverable on account of GST under this **clause 18.2** will include any fines, penalties, interest and other charges incurred as a result of late payment or other default by the GST Recipient under this Agreement.
- (5) If a party is required to pay, reimburse or indemnify another party for any cost, expense or other amount that the other party has incurred or will incur in connection with this Agreement, that amount will be reduced by any part thereof for which the other party (or representative member if this is not the other party) can claim an input tax credit, partial input tax credit or other like offset.
- (6) Unless the contrary intention appears, terms used in this **clause 18.2** have the meaning given in the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth).

18.3 Entire agreement

This Agreement comprises the entire agreement between the parties in relation to the subject matter of this Agreement and supersedes any prior representations, negotiations, writings, memoranda and agreements.

18.4 Severability

Any provision of this Agreement that is illegal, void or unenforceable will not form part of this Agreement to the extent of that illegality, voidness or

unenforceability. The remaining provisions of this Agreement will not be invalidated by an illegal, void or unenforceable provision.

18.5 Variation

Except as otherwise provided for in this Agreement, no variation to this Agreement will be of any force or effect unless it is in writing and signed by the parties to this Agreement.

18.6 No waiver

Failure or omission by either party at any time to enforce or require strict or timely compliance with any provision of this Agreement will not affect or impair that provision in any way or the rights and remedies that the party may have in respect of that provision.

18.7 Governing law

This Agreement is governed by and construed in accordance with the law for the time being in force in the State of Queensland and the parties submit to the non-exclusive jurisdiction of the courts of the State of Queensland.

18.8 Compliance with laws

Each party must comply with the laws from time to time in force in the State of Queensland in performing its obligations under this Agreement.

18.9 Notices

Any notice, including any other communication, required to be given or sent to either party under this Agreement must be in writing and given to the relevant Contract Officer. A notice will be deemed to have been given:

- (1) if delivered by hand, on delivery;
- (2) if sent by prepaid mail, on the expiration of two Business Days after the date on which it was sent;
- (3) if sent by facsimile, when it is successfully faxed to (which occurs when the sender receives a transmission report to that effect); or

18.10 Survival of clauses

Clauses 9, 12, 13, 15 and **18.2** will survive the expiration or earlier termination of this Agreement.
